YOUTHFORUMIAAH2013

The purpose of the Youth Forum is to bridge young people and their perspectives on adolescent health in the future with the health professionals of today.

During the congress the Youth Forum will bring the HEEDSSS topics to the table for discussion - and debate freely with everyone who joins in. You are hereby invited!

The Youth Forum has been active on FACEBOOK before the congress and have prepared posters, photos and started to know each other in the process of planning this event.

During the IAAH World Congress in Istanbul the Youth Forum participants will join the professional workshops and comment them on FACEBOOK.

YOU can be part of this as well. JOIN us on FACEBOOK and be a contributor to what it is all about – communication between the generation in power and the one to come.
